#### 10. Region Representative Report:

Attached, Fred requested that all attendees at full council meeting be noted next time.

#### 11. General Business:

We opened the floor to Michelle who took questions.

Alice Springs School of the Air will check on the need for training and contact NTCOGSO.

Financial papers - Michelle broke down the duties of the school and the SRB's and informed us of

what we could expect and ask for in regards to the papers, she also detailed the transition from the

Dashboard report to what we get now. NTCOGSO has committed to financial training for the entire region in 2023.

A lively discussion was had around the issues facing Yuendumu and other remote schools, they were able to get support from NTCOGSO and Michelle will be following up with them.

Wayne asked about the parent/teacher ratios on SRB's, it was explained that this varied between

schools quite dramatically but would be listed in the School's constitution.

There will be a big push for training in Alice Springs in Term 3/4.
