

STRATEGIC PLAN

2021 – 2024

VISION

**Students and Families Thriving
in Government Schools**

MISSION

We strengthen public education by encouraging continual improvement in the provision of quality education for all students.

ORGANISATION VALUES

COURAGE

We are committed, innovative and resilient as a voice for our children.

COLLABORATION

We work with stakeholders and each other to achieve the best outcomes for students to learn and thrive.

EQUITY

We pursue fairness in opportunity, outcomes and rights for school communities to achieve genuine partnerships for families.

RESPECT

We engage professionally with our affiliates and school communities. We believe genuine partnerships are fundamental to achieving positive change.

INCLUSION

We embrace diversity and respect differences including gender and gender expression, culture, race, religion, age, sexuality, abilities, political beliefs and socioeconomic status.

RECONCILIATION

We support the self-determination and self-management of Aboriginal and Torres Strait Islanders and proactively support communities in their decision making.

RESPONSIBILITY

We are open, accountable and manage resources and risks to ensure the sustainability of the organisation. We are forward thinking and we value innovation so that our work results in positive outcomes for the school communities that we support.

STRATEGIC PRIORITIES

1.

We support students, families and school communities through our services and advocacy.

2.

We build capacity in school communities through our training, leadership mentoring and support.

3.

We create change by engaging with families, school communities, governments and their departments, informed by the motions of the NT Full Council.

4.

We use our governance structures to support School Representative Body decision making and member led priorities.

5.

We ensure sustainable, transparent and accountable practices through our strong governance, management, service delivery and partnerships.
