

YOUR VOICE FOR NT PUBLIC EDUCATION

FOR IMMEDIATE RELEASE

World Teachers' Day

World Teachers' Day acknowledges the efforts of our teachers in an increasingly complex, multicultural and technological society. It is a day on which students, parents and community members can demonstrate their appreciation for the contributions that teachers have made to our communities.

Tabby Fudge, President of the NT Council of Government School Organisations, said, "World Teachers' Day is a wonderful opportunity to formally recognise Northern Territory teachers for the important role they play across the length and the breadth of the Territory both inside our classrooms and out in the community."

"Every day, Northern Territory teachers are making a positive difference by creating opportunities for students and empowering the minds of young people to become contributing members of our communities."

Our sincerest appreciation to each and every one of you for your unwavering commitment to instilling the value of lifelong learning in our young people.

Tabby Fudge
President

The Northern Territory Council of Government School Organisations represents every NT government school with over 19,000 families, their 34,000 children and the school communities that support them.
