11. General Business:

As no Agenda items were received, it was decided to open to the floor for a general discussion.

Wayne brought quite a few questions and comments to the table.

Wayne mentioned that Braitling Primary is the only Independent Government school in Alice Springs.

He was wondering how this helps/hinders the school and how easy/hard it is for other schools to become independent?

Wayne would like to be notified through his personal email for all future meetings as the school does not seem to be passing it on.

Wayne would like to know about the Department regulation 37 and how it resolves the issue of their Secretary, at present she is Assistant Principal.

Regarding delegation of duties, it was suggested he refer to the Act.

Bradshaw SRB are desperate for training and have been told to get in touch ASAP.

Financial reports are too confusing for the layman, is there a way to get reports that we can readily understand?

Road safety is still of concern, requested an NT wide audit.

Lauren suggested that now is the time to work on motions for the next Full Council AGM.
