11. General Business:

11.1 SRB feedback on: 'One Team One Territory'

Only Cassie O'Bree had any knowledge of this as she was working in the department when it was being developed. All present agreed to keep an ear open. Cassie felt like it had not been floated yet as the consent education had taken centre stage. The question was raised as to where the information was supposed to come from?

11.2 NT COGSO Annual Full Council (Sat 4 September 2021) – 2021 Motions Preparation

Everyone was very interested to hear about the motions, nearly all present are new to SRBs and new to COGSO. It was really great to hear from the members about their needs. They expressed concern over teacher recruitment and retention. Many were keen to have COGSO present some training especially around how to be an effective SRB representative. The continuation and expansion of VET was encouraged. Concern over school safety at 'kiss n go' areas was again raised. The school survey was also raised, questions asked as to when it is, can they add questions and who sees the results, Cassie O'Bree was really helpful in this area.

11.3 General Meeting Venue

All present agreed that the meeting time and place worked for them and they were looking forward to the next one. Some expressed disappointment that not more of their SRB members attended. Hopefully they will encourage attendance at the next meeting.

12. Date of Next Meeting: 24 May 2021, 6pm, Gillen Club

13. Meeting Close: 7:00pm
